13th March 2017

Yet another couple of busy weeks have gone by, including a visit to Chester Zoo by Class Four, as part of their rainforest topic, and a cross-country event for Years Five and Six at Tarporley High School last Thursday.

The children were particularly successful with the cross-country, both individually and as a team. Children in Years Three and Four also enjoyed the indoor athletics at the High School. Well done to all of them!

I am also looking forward to the trip this week, to listen to the Liverpool Philharmonic Orchestra with Classes Three and Four.

WORLD BOOK DAY:

All the children in school wrote a book review on World Book Day, and all the staff have been busy swapping them to judge the winners. These have been announced in today's assembly. The winners in each class received a £5 book token to spend at our Book Fair next week, and the runners-up also received a small prize. It was a difficult task to judge!

STAFF CAR PARKING SPACES:

We politely request that parents do not use the staff car parking spaces, even when the car park is busy.

Anti-bullying assembly:

A big thank you to Jackie Wilson, one of our governors, who gave up her time on Wednesday to come and lead an assembly for us on anti-bullying, a topic which we constantly give our attention to.

SCIENCE WEEK: There are several exciting activities arranged for this week, including a visit by the Cheshire Wildlife Trust, The Dogs' Trust and Weird Science workshops. Thank you to all those people who have sent in resources for building our insect hotels. Thank you also to Mrs Tench and Miss Pickering, who have arranged all the activities.
