## Newsletter

2<sup>nd</sup> May 2017

Thank you to all those people who responded so positively to my request for support for the PTA. The attendance at the meeting indicated that many people were keen to help and to get involved in our fundraising events. Hopefully, this will help to increase the amount of money which will be able to be spent on extra activities and resources for all the children across the school.

I am also grateful to everyone for ensuring that the school site is cleared by 4.00 on those days which were mentioned, to allow the after-school club to use the facilities safely.

### Art workshop day:

The art workshop day for Class 2 & 3 was very successful, and the children gained an opportunity to experiment with different methods of printing, including lino cutting for the older children.

They had a great time and will hopefully build on these skills in further art activities. Our thanks go to the School House Trust for their financial support for this venture.

### SATs Week: Monday 8<sup>th</sup> May

We wish all of Year Six well next week, as they will be taking part in their SATs tests, from Monday to Thursday.

They have worked very hard, and deserve much credit for the effort which they have put in. Good luck to them all.

### Y5/6 girls' football

Last Thursday our Y5/6 girls' football team took part in a tournament at Tarporley High School. They performed brilliantly and played against some very strong teams, coming a very creditable second. We celebrated with them in assembly on Friday.
