22nd January 2018

The first two weeks of term have passed very quickly, and the children have settled back well. We have said farewell to Mrs Tench for the time being, as she has begun her maternity leave, and I have been enjoying teaching Class Three.

There were many interesting activities taking place across the school during Science Week, all connected to our theme of 'Light Fantastic', and the science workshops proved interesting and entertaining for the children, who all enjoyed them. Thank you to those parents who were able to come along to watch the science show.

Please make sure that you have signed up for parent's evenings in the relevant classes; timetables are available in school to make your appointments.
