15th October 2018

This half term seems to have been flying past so quickly; already we are approaching the half-term holiday and the children seemed to have really thrown themselves into their learning and activities this term. Thank you to all those parents who have attended the parents' evenings, which are still ongoing for some year groups. All the staff value the communication and support which we have with parents, and the children benefit a great deal from this.

Thanks to Jamie Smith, a past pupil and a debut author whose first children's book is published on 1st November. He spent the day with Classes Three and Four on Friday, talking about his writing and book publishing.

I look forward to attending the Pudding Evening on Friday and seeing many of you there. My thanks in advance to the PTA for organising the event, as well as the Photoshoot on Saturday, both of which aim to help to raise funds for the school.

Governor Surgery

Our next Governor Surgery will take place on Thursday 18th October from 3.00pm.

If you would like to come and talk to some of our governors, you are most welcome.

Harvest Service – St. Peter's Church Thursday 25th October at 9.15am

As usual at our Harvest Service, we ask for your contributions of non-perishable food items for the children to bring to the service. All of these will be given to Chester Aid for the Homeless, which is always extremely grateful for our support.

I would also be grateful to hear from anyone who would be able to drop off the contributions in Chester after the service.

Years Three and Four cross country:

Well done to all those children who took part in the cross country event last Thursday. The weather was not great, but they certainly put plenty of effort into their races.
