key 1 pressed move

key 2 pressed move

key 3 pressed move

key 4 pressed move

if [robot icon] [color sensor icon] = [yellow circle] [robot icon] move

move move move

move stop

14:08 11/05/2016

The screenshot shows a web browser window with the URL <https://central.espresso.co.uk/espresso/coding/coder.html?un=3b&lesson=1&task=4&type=>. The browser's address bar and menu bar are visible. The main interface is titled "My Design" and "My Code". The "My Design" area contains a sequence of five blocks: four "key pressed" blocks (key 1, 2, 3, 4) each followed by a "move" block with a directional arrow (right, down, left, down respectively), and an "if" block. The "if" block has a condition: a robot icon, a color sensor icon, and a yellow circle, followed by a "move" block with an up arrow. The "My Code" area contains a palette of blocks: a robot icon, three "move" blocks with up, down, and left arrows, and a "stop" block with a red square. The Windows taskbar at the bottom shows the Start button, Internet Explorer, and a shield icon, along with the system tray displaying the time 14:08 and date 11/05/2016.
