

Duddon St. Peter's Primary CE School

Lunchtime Cross-country Club

Many children have taken part in the cross-country activities at Tarporley High School. This has generated interest in having a session at school for those who are interested in taking part.

The School Council have helped to arrange the cross-country club. This will now start to take place on:

TUESDAY LUNCHTIMES
from 12.30—12.50pm

The first session will take place on
Tuesday 9th January.

Children will not need to change their clothes for the session but will need to bring their trainers (or a spare pair of shoes), so that they can change their footwear after being on the field.

The sessions will be weather dependent and will be run and supervised by Alex.

Thank you.
