MLD Kindergarten Uganda

Dear all

As you know I went to Uganda last year and made a link with the MLD Kindergarten in Ibanda. The school has recently invested in a mini bus to help transport children to and from school. Many children are unable to attend school as they have to walk a significant distance to and from school on unsafe roads (even the very youngest children have to make the journey on foot). The journey is often weather dependent and in the rainy season school attendance drops. The mini bus is in poor repair and having shared the photo with our children, as a school community we would like to help with the cost of the repairs.

The children have made various fundraising suggestions, one of which was to have a 'hoodie day', when they can wear a hoodie instead of their school jumper in return for a small donation, minimum £1, to help the Ugandan children.

Our hoodie day will be Friday 15th March.

Thank you for your support,
Claire Knight
