## Newsletter

7<sup>th</sup> October 2024

This half term has already been action packed and the children are now fully settled into their new year groups and classes. Class One had a great time on their trip to the seaside and there are already signs of some excellent work across all the classes.

Thank you to those who organised and attended The Sausage Sizzle event. It was a lovely evening and a good start to PTA events this year. It was also lovely to see the attendance in church for the Harvest Service; your donations were gratefully received, and I am sure they will be very much appreciated by the Food Bank.

**MY HAPPY MIND:** As you may be aware, the school has now made arrangements to join My Happy Mind, a scheme which aims to help children and adults discover more about the way they think and how to keep their minds healthy and happy. **We encourage all parents to engage with the app and share discussion with the children at home. To access these materials, go to <https://myhappymind.org/parent-resources> to create your free account. You will need to enter your name, email, and authentication code (111281) or scan the QR code below to sign up.**

**WATER:** We encourage children to have water to drink during the school day and the water fountain is available to provide this. **Children may bring their own water bottles into school to refill from the water fountain, but we politely request that that they only bring water in them rather than juice. This applies to all children across the school.**
