6th December 2024

It is a busy countdown now until the end of term and I hope that I will see many of you at the forthcoming events.

The PTA would like you to buy/sell as many raffle tickets as possible for the Christmas Draw. I also hope that you might find the time to visit Chester Cathedral to view the wonderful Christmas trees in the cloisters – see if you can spot the one that Duddon children have decorated.

All the children in school enjoyed the visit from Professor Tessa Smith and some of her Chester University students recently, where they learned numerous interesting facts about bats, their habitats and ways in which we can help protect them. Many thanks to Steve Davies for offering to put up the bat boxes in our woodland area. We look forward to checking on their development.
