Christmas and New year celebrations seem to have disappeared into the distance, but I hope that everyone enjoyed their holidays, and even the snow that greeted us unexpectedly on return to school.

Also taking us by surprise was our visit from Ofsted last week! The children were a credit to the school during the visit and many of them impressed the inspectors during their chats with them. Thank you to all of you who took time to complete the online Parent View survey, which portrayed many positive comments about the school and the care of the children.

I will inform the school community of the outcome of the inspection as soon as we are able to do so officially, but we are pleased that the progress the school has made since the last inspection was noted in a positive way.

Staff are thankful that the inspection is over but will continue to work at building on that progress. They are to be congratulated for all their efforts, and I am very grateful to have such a supportive team working here.

Handball:

Well done to those children in Years Five and Six who formed part of our joint basketball team with Barrow. They represented the school brilliantly and showed great teamwork.
