## Newsletter

On Tuesday, 18th March, we will be holding two drop-in sessions for any parents or carers who would like to discuss the proposed Federation. They will provide an opportunity to speak with some of our governors and answer any questions you may have. They will be held from 8:30-9:30am and from 5.00-6.00pm, in the Library/Class One, so please use the side door into the library. These are drop-in sessions so feel free to come at any point within the hour-long slots.

Thank you to those who supported the PTA meeting on Wednesday, where a variety of events were planned. These included our celebration of Duddon School's 150<sup>th</sup> birthday celebrations in May. The school was officially opened on its current site on 17th May 1875, and we are proud to still be providing education to our local community.

More information will follow but our plan is to hold a Community Celebration on Saturday 17<sup>th</sup> May and will include many free activities (thanks to a very generous donation from the School House Trust) and will be available to all our local families.
