The chatty plan

Dough Disco Live!

For this activity you will need:

Playdough balls (ideally a ball about the size of the child's head. This could be made in advance with the children using the attached visual recipe)

Access to a screen that will play You Tube

https://m.youtube.com/channel/UCj0shfH3pzhrf3dOrSj_pRw

Playing the game

At 09.30 every day Shonette Bason will be putting us through our paces at the Dough Disco! Playdough is an amazing material for all sorts of manipulative skills and here Shonette works to develop the small muscles in our wrists and fingers as well as developing palm strength.

By making the playdough together you are also engaging in all areas of learning including maths, communication and science—a win win all round!
