VE Day occurred on the 8th May, 1945. It was a chance to celebrate the return of peace to Europe after the 6 years of war.

Today, we still mark VE Day but use it to remember those men and women who valiantly fought to bring about peace.

Research one of the veterans – a person who is an ex-member of the armed forces – and create a fact file about them. Apart from their name and age when they enlisted, include details of the force they worked in, where they were stationed, and in particular, any significant memories of VE Day they had.
