Please make sure your child has a bag of spare clothes on their peg and wellies to go in the shed.

Please can you also make sure that you have named jumpers and cardigans – thank you!

It would be very helpful if the Reception children could learn to do up their coats over half term – thanks.

We are planning on making bird food and feeders after half term. Please could you collect yoghurt pots during the holidays for us to put bird food in. Many thanks.

We will use our trip to Elmer as the starting point for our topic after half term. Plans will be up in the cloakroom after the holiday.

Dates for parents evening will be in the cloakroom after half term. Please sign for a slot to talk to us.
